## ATTEND THE ONLY INDUSTRY EVENT TO TACKLE ENTERPRISE CLOUD ADOPTION

It's easy for startups and web companies to love the flexibility of the cloud. But enterprise customers may be skeptical.

Enterprise Cloud Summit is a two-day program packed with industry heavyweights and real-world demos that show you the promises—and pitfalls—of cloud technology.

- Hear firsthand from companies using clouds today, and learn from mistakes they made
- Understand the **privacy, compliance** and **data storage** risks clouds may create
- Watch as we build, test, run and retire applications
- Talk with **leading analysts** about their latest research and the road ahead
- Learn how to **build a business case** for cloud computing
- Join in exclusive **one-on-one** discussions with the executives who are defining tomorrow's cloud platforms
